Ow! Ribit! Ahh...Ah...Ow! A! Mmm! Ah!
Hey hey, oh, bop bop, bop bop

Strange desire, your eye is the room
Your door today, la la, so long
Your soul, not today
I dream the sign, my heart, you're young
Strange desire to dream alone, yeah, that's right

Can't you see me? Can't you see me?
Can't you see me? Can't you see me? Ah, yes

This is all and this is you

Can't you see me? Oh now, love desire
Ah, oh yeah, yeah, can you tell me this moment

Can't you see me? Tonight will come
Can't you see me? Oh, tonight, my mind
Our love will tease my life, small life
Our love will save you, my pain
As you're hanging on too long, too wide
So dark, so lonely

Can't you, can't you sing it to me?
Can't you sing it to me? Can't you sing it with me?
Can't you sing it to me?

Can't you see? It's all to me

It's a fashion possession
I'm looking through, I'm looking through your eyes
So blind, so blind
Can't you sing it to me, baby?
All right, all right, can't you sing to me, baby?
Mmmm, can't you see me all of the time?

Hey hey, can you touch my mind?
Can I change my mind? Ow!

Mmm, oh my, when I look into your eyes

I see for hours, if I would ever want
