My strange desire is waiting there
To be my light, my shadow, my storm
This is all and this is you
Turning into another dream
Please don't be another dream

Do you really think we're cared for?
Do you really know we're loved?
Look at all our resolutions
Promises to break your heart
Do you make it hard to handle?
Do you lose your self control?
Strange desire take me over
Offer me to all above
This is all and this is you

Do you really think we're cared for?
Do you really know we're loved?
Look at all our resolutions
Promises to break your heart
Do you make it hard to handle?
Do you lose your self control?
Strange desire take me over
Offer me to all above

Girl again, touch again
Must have wanted some paradise
Long ago that's unwise, so unwise
Look again I said touch again
Believe your fate
That's alright, that's alright

Do you really think we're cared for?
Do you really know we're loved?
Look at all our resolutions
Promises to break your heart
Do you make it hard to handle?
Do you lose your self control?
Strange desire take me over

Offer me to all above

Hmm

Oop

Yea

Alright

[Inaudible]

Alright

Do you really think we're cared for?

Do you really know we're loved?

Look at all our resolutions

Promises to break your heart

Do you make it hard to handle?

Do you lose your self control?

Strange desire take me over

Offer me to all above

Do you really think we're cared for?

Do you really know we're loved?

Look at all our resolutions

Promises to break your heart

Do you make it hard to handle?

Do you lose your self control?

Strange desire take me over

Offer me to all above

Do you really think we're cared for?

Do you really know we're loved?

Look at all our resolutions

Promises to break your heart

Do you make it hard to handle?

Do you lose your self control?

Strange desire take me over

Offer me to all above
