Suicide blonde  
Suicide blonde  
Suicide blonde  
Suicide blonde

Suicide blonde  
Was the colour of her hair  
Like a cheap distraction  
For a new affair  
She knew it would finish  
Before it began  
Something tells me you lost the plan

You want to make her  
Suicide blonde  
Love devastation  
Suicide blonde  
You want to make her  
Suicide blonde  
Love devastation  
Suicide blonde

She stripped to the beat  
But her clothes stay on  
White light everywhere  
But you can't see a thing  
Such a squeeze  
A mad sad moment  
Glory to you  
Glory to you  
Take me there  
Take me there

Got some revelation  
Put into your hands  
Save you from your misery  
Like rain across the land  
Don't you see  
The colour of deception  
Turning your world around again

You want to make her  
Suicide blonde  
Love devastation  
Suicide blonde  
You want to make her  
Suicide blonde  
Love devastation  
Suicide blonde
