Yonder she's walking
She comes my way
Her red dress on
Her long black hair

Walking like
Talking like
Wanting like
She comes to me

Oh baby, I love you so
I need you now
I want you back
I can't go on

Helpless baby, evil child
I've known you well
And if you want to stay
That's alright

Well you want me again
And then you come a running to me
Baby, baby that's alright
Oh that's alright, hey, that's alright

And now she's gone
She's walkin' away
Her red dress on
Her long black hair

Well I love her so, yeah
And now she'll come running
Anytime I say
Anytime I say

Oh baby, I love you so
I need you now
I want you back
I can't go on

Oh baby, I love you so
I need you now

I want you back
I can't go on

Oh baby, I love you so
I need you now
I want you back
I can't go on oh yeah

I love you so, baby
I need you so
I want you back
I can't go
I can't go on
