Welcome to the strangest party baby
It's like we're starin' at the sun
Everybody's got their invitations
Hopin' that you're gonna come, yeah

These are the times
(Times)
These are the crimes
(Crimes)
What are we waitin' for?
What are we hatin' for?

You're part of the solution or part of the problem
You're gonna have to dance with one
You're givin' up on the future honey
I'll count you out of havin' some, yeah so

These are the times
(Times)
These are the crimes
(Crimes)
What are we waitin' for?
What are we hatin' for?

Here comes the rain
Yeah here comes the rain yeah

These are the times
These are the crimes
What are we waitin' for?
What are we hatin' for?

These are the times
These are the crimes
What are we waitin' for?
What are we hatin' for?

Wash away the rain yeah
Into the blue sea yeah

These are the times
These are the crimes

What are we waitin' for?
What are we hatin' for?

Wash away the rain yeah
Into the blue sea yeah
These are the times
These are the times
