Ever stop to wonder
Should I question
Move a stone look under
Should I judge

How you have changed my friend
You're not the same my friend
Do you lose sleep at night?
Do you ever stop to think?
Where it went wrong for you?
Who turned your reds to blue?

Who put those tiny daggers in your heart?
Who put those tiny daggers in your heart?
Who put those tiny daggers in your heart?

Ever stop to wonder
I should not question
Move a stone look under
I should not judge

They say you're never lonely
They say you're with the best
But when they turn those lights out
I bet you spin and turn
And cry just like the rest
And cry just like a baby

Who put those tiny daggers in your heart?
Who put those tiny daggers in your heart?
Who put those tiny daggers in your heart?

Ever stop to wonder
I should not question
Move a stone look under
I should not judge

No need for desperation
No need for sweet revenge
Please try to remember
The door is always there
Don't you walk on by?

The door is always there
All you wanna do is kick it in
All you got to do is walk right in

Who put those tiny daggers in your heart?
Who put those tiny daggers in your heart?
Who put those tiny daggers in your heart?

Who put those tiny daggers in your heart?
Who put those tiny daggers in your heart?
Who put those tiny daggers in your heart?
Who put those tiny daggers in your heart?
In your heart?
