Swim house

Gotta feel it coming down
Tell us how I feel
There are also imitators that are running here
When I try to envy this
When it looks nice
You can go with simple truth
Got down all the time

Wake up, wake up, wake up, wake up
Said to myself again
Wake up, wake up, wake up, wake up
I'm sure they'll feel again

Running through the shopping malls
And tell us how I feel
I run on through the fences
And you know that we're good pals
I just got to walk these hills
When it looks nice
You can go with simple truth
Got down all the time

Wake up, wake up, wake up, wake up
Said to myself again
Wake up, wake up, wake up, wake up
I'm sure they'll feel again

Ah ya ya yeah

Wake up, wake up, wake up, wake up
Said to myself again
Wake up, wake up, wake up, wake up
I'm sure they'll feel again

Gotta feel it coming down
Tell us how I feel
There are also imitators that are running here
When I try to envy this
When it looks nice

You can go with simple truth
Got back all the time

Wake up, wake up, wake up, wake up
Said to myself again
Wake up, wake up, wake up, wake up
I'm sure they'll feel again
Wake up, wake up, wake up, wake up
Said to myself again
Wake up, wake up, wake up, wake up
I'm sure they'll feel again

Thank you!
