It's cold this time of year and the people in this city  
make it colder  
They've all forgotten what it means to lend a hand or  
cry on a shoulder  
In this land of opportunity we fight like hell to make an  
extra dime  
It would surely get the best of me without the heaven in  
my woman's eyes

It's the heaven in my woman's eyes that makes life's  
hell a better place to be  
It's the heaven in my woman's eyes that gives the  
inspiration that I need  
Sometimes it seems a man is born to lose no matter  
how hard he tries  
Life on earth would sure be hell without the heaven in  
my woman's eyes

Simplicity was once a way of life but now it's buried  
with our past  
A dollar used to go a long long way, but now it just  
goes fast  
Oh how I wish that I could be as free as our union eagle  
flies  
But the only time I'm free is when I view the heaven in  
my woman's eyes

It's the heaven in my woman's eyes that makes life's  
hell a better place to be  
It's the heaven in my woman's eyes that gives the  
inspiration that I need  
Sometimes it seems a man is born to lose no matter  
how hard he tries  
Life on earth would sure be hell without the heaven in  
my woman's eyes

Life on earth would sure be hell without the heaven in  
my woman's eyes
