It was no accident
me finding you
Someone had a hand in it
Long before we ever knew
Now I just can't believe
you're in my life
Heaven's smilin' down on me
As I look at you tonight
I tip my hat
to the keeper of the stars
He sure knew what he was doin'
When he joined these two hearts
I hold everything
When I hold you in my arms
I've got all I'll ever need
Thanks to the keeper of the stars
Soft moonlight on your face
oh how you shine
It takes my breath away
Just to look into your eyes
I know I don't deserve

a treasure like you
There really are no words
To show my gratitude
I tip my hat
to the keeper of the stars
He sure knew what he was doin'
When he joined these two hearts
I hold everything
When I hold you in my arms
I've got all I'll ever need
Thanks to the keeper of the stars
It was no accident
me finding you
Someone had a hand in it
Long before we ever knew
