Don't be afraid darling you can tell me  
What it takes to make your world turn  
If you're willing there's time  
And if you're so inclined  
Just give me a sign  
I wanna take love lessons baby from you  
Whatever it is you want I want to please you  
I wanna take love lessons baby real slow  
Teach me everything I need to know  
Take my hand let's talk about us  
Whisper soft what it is you're thinking of  
I wanna hold you tight  
Won't you show me how tonight  
Let's turn down the lights  
I wanna take love lessons baby from you  
Whatever it is you want I want to please you  
I wanna take love lessons baby real slow  
Teach me everything I need to know  
Teach me everything I need to know
