(Rodney Crowell)

I'm gonna be here for you baby I'll be a man of my word
Speak the language in a voice that you have never
heard

I want to sleep with you forever I want to die in your
arms
In a cabin by a meadow where the wild bees swarm

Now that I found you I want to surround you
I'll win to steal your attention like a bad outlaw

I want to stand out in a crowd for you a man among
men
I want to make your world better than it's ever been

I want to know you like nobody knows you
I'll win your trust making memories of us
I'm gonna be here for you from now on this you'll know
somehow
You've been stretched to the limits but it's alright now

I'm gonna make you a promise if there's life after this
I'm gonna be there to meet you with a warm wet kiss

Cause I'm gonna love you like nobody loves you
I'll win your trust making memories of us

I'm gonna love you like nobody loves you
I'll earn your trust making memories of us
