way back up in the country back in the hills  
down in the hollars where the folks are real  
living with the crazies and the old wildcats  
sawed off shot guns and coon skin hats  
thats where i'm from and i'm proud to say  
i'm from Kentucky and i like it that way

everybody knows everybody  
everybody calls you friend  
you don't need an invitation  
so kick off your shoes come right on in  
yeah we know how to work and we know how to play  
we're from the Kentucky and we like it that way

all day long we work in the fields and bring it on home  
to a home cooked meal  
we love you like sunday and treat you like saturday  
and when the beds get full we can sleep in the hay  
(HEY!)  
we're from Kentucky and we like it that way

everybody knows everybody  
everybody calls you friend  
you don't need an invitation  
so kick off your shoes come right on in  
yeah we know how to work and we know how to play  
we're from Kentucky and we like it that way

everybody knows everybody  
everybody calls you friend  
you don't need an invitation  
so kick off your shoes come right on in  
yeah we know how to work and we know how to play  
WERE FROM KENTUCKY AND WE LIKE IT THAT  
WAAAAAAAAY!
