Memories
In a letter
In the hands
Of yesterday
Holding words
Like forever
Until your
Dying day
I'm your well
I'm your water
I'm your
Sunshiny day
You're the star
I saw falling
Wishing me away
I'm your lungs
I'm your lover

I'm the air
That you need
I'm the life
That you savor
If all these
Things you say
Why are you
Breathing
Why are you
Getting on fine
Is it just
Some dig at me
'Cause it feels
Like this is it
