If I could  
Only be like  
The world  
Is wide  
The guns would  
Only be toys  
To learn by  
We've been  
Breaking bottles  
'Cause we like  
Glass in our feet  
We've been  
Lusting diamonds  
Cause our  
Best friends  
Are asleep  
If I could only  
Be twenty-five  
Feet high  
You could  
Live on me  
Have somewhere

To hide  
We've been  
Crushing desires  
'Cause there's  
No ice for our drinks  
We've been  
Lighting fires  
'Cause it's  
Darker than we think  
We've been  
Squashing spiders  
'Cause we're  
Afraid of ourselves  
Trapping flies  
In this web we weave  
Or am I only  
Trapping bees
