It's happening  
Night after night  
And not that it's wrong  
It's alright  
In spite of the  
Meal that we throw  
They sit on the wall  
And they know  
That hunger is not  
What they fear  
As long as  
Each other is near  
They're a part of  
The whispering air  
And we secretly  
Want them  
To be there  
Se there shape  
Silhouette  
That they make

Peppered stars  
Hang behind  
Shadow love  
That could be mine  
Up in the window above  
Somebody's push  
Came to shove  
I cover my eyes  
And i pray  
The whistling fist  
Goes away  
And hunger is not  
What she fears  
As long as he  
Doesn't come near  
They're a part of  
The whispering air  
And she secretly  
Wants him  
To be there
