[That all things are working together for the good of
those who love the Lord,
And are called according to His purpose,
And the psalmist says]

For my good, for my good
Things will work out for my good
Even though I would change things if I could
Things will work out, Things are gonna work out
Things will work out for my good

If I could, I would change the things
The things that brought me pain
And replace all earthly loss with Heaven's gain
I'd erase the painful memories
And I'd paint my gray skies blue
I would love, obey and honor you Lord
In all I say and do, I really would

For my good,
[anybody believe that what your going through is]
For your good,
[yes Lord]
Things will work out for my good
Even though I would change things if I could
[I want someone to hear this]
Things will work out
[On your job I want you to know]
Things will work out
[In your home situation, listen]
Things will work out for my good

[Point to yourself and sing it with me]
For my good
[Anybody believe that in here?]
For my good
[Thank you Jesus]
Things will work out for my good
[Thank you Lord]
Even though I would change things if I could
[I want you to know tonight]

Things will work out
[If you believe that just begin to praise Him]
Things will work out
[All the good all the bad all the hurt]
Things will work out
[YouÃƒfÂçâ, -Â™ re not gonna lose your mind and go
crazy, just know]
Things will work out
[Stand right where you are and wait on the Lord]
Things will work out
[I donÃƒfÂçâ, -Â™ t care how hard it looks tonight]
Things will work out
[Yes they will, sing it tonight]
Things will work out for my, my good
