(Talking)

Bless the Lord oh, my soul and everything that's within
me

Come on, I will bless His name

Is there anybody in this place that is here to bless Him

Let me here ya make some noise!

Come on, here we go, sing it

Magnify the Lord with me

Whom the Son He hath redeemed

Clap your hands, rejoice and sing

You are Lord of everything

I will bless the Lord

Bless the Lord at all times

I will bless the Lord

Bless the Lord at all times

For the Lord our God is great

Perfect Lord in all your ways

God of mercy, Lord of grace

Holy One, Ancient Of Days

I will bless the Lord

Bless the Lord at all times

I will bless the Lord

Bless the Lord at all times

Bless the Lord oh my soul

And all that's within me bless His name

Bless the Lord oh my soul

And all that's within me bless His name

(When Iâ'm lost and all alone)

I will bless the Lord

(Feeling like my strength is gone)

I will bless the Lord

(With no friends to call my own)

I will bless the Lord

(And no one to call on the phone)

I will bless the Lord

(I will lift my hands)

I will bless the Lord
(And call His precious name)
I will bless the Lord
(Cause He's always been there)
I will bless the Lord
(And promised He'd never change)
I will bless the Lord
(Tears streaming down my face)
I will bless the Lord
(I'll put on the garment of praise)
I will bless the Lord
(Cause my ways are not His ways)
I will bless the Lord
(And my thoughts will too fade away)
I will bless the Lord
(I will sing the song of the Lord)
I will bless the Lord
(And praise You even more)
I will bless the Lord
(The one I'm living for)
I will bless the Lord
(You're the one I adore)
I will bless the Lord
(On Monday, Tuesday, Wednesday)
I will bless the Lord
(Thursday, Friday, Saturday)
I will bless the Lord
(Sunday, all day)
I will bless the Lord
(Cause I know I got a reason)
I will bless the Lord
(To give You all the glory)
I will bless the Lord
(To give You all the praise)
I will bless the Lord
(When Iâ€™m in my sins)
I will bless the Lord
(You wash â€™em all away)
I will bless the Lord
(Cause some black morning)
I will bless the Lord
(When this life if over)
I will bless the Lord
(Iâ€™m gonna put on my wings)
I will bless the Lord

(And Iâ€™m gonna tell the story)
I will bless the Lord
(Of how you brought me out)
I will bless the Lord
(To bring me in)

I will bless the Lord
(You've been right there)
I will bless the Lord
(Through thick and the thin)
I will bless the Lord
(You don't know)
I will bless the Lord
(That You were there)
I will bless the Lord
(But Thou snatched me out)
I will bless the Lord
(Of the enemies hand)
I will bless the Lord
(You changed my walk)
I will bless the Lord
(You changed my talk)
I will bless the Lord
(Changed my mind)
I will bless the Lord
(Saved my life)
I will bless the Lord
(Can't nobody)
I will bless the Lord
(Do me like Jesus)
I will bless the Lord
(Can't nobody)
I will bless the Lord
(Love me like the Lord can)
I will bless the Lord
(You brought me out)
I will bless the Lord
(To take me in)
I will bless the Lord
(He knows what's best for me)
I will bless the Lord
(What's best for me in the end)
I will bless the Lord
(I thought about something else)
I will bless the Lord
(How He loved me when I didn't love myself)
I will bless the Lord
(When I felt like throwing in the towel)
I will bless the Lord
(He made a way for me somehow)
I will bless the Lord
(I'm standing here today)
I will bless the Lord
(Only because of His grace)
I will bless the Lord
(His love has filled the space)
I will bless the Lord

(That once was an empty place)
I will bless the Lord

He has done great things for me so I will...
(Sing it again, He has done)
He has done great things for me so I will...
(Sing it again)
He has done great things for me so I will...
(He has done great things)
He has done great things for me so I will...
(He has done great)

He has done great things for me,
(He keeps blessing me)
He has done great things for me.
(He keeps keeping me)
He has done great things for me,
(He's been there for me)
He has done great things for me.
(He has done great things)

He has done great things for me
(Yes, He has)
He has done great things for me
(He had done great things)
He has done great things for me
(Yes, He has)
He has done great things for me

He has done great things for me so I will
Bless the Lord, Bless the Lord
