If you know you've gotta reason to praise Him tell some of the people real quick, say 'I've gotta reason, to praise Him'"

Chorus:

I've gotta reason (chorus repeat)
To clap my hands (chorus repeat)

I've gotta reason (chorus repeat)
To sing and dance (chorus repeat)

I've gotta reason (chorus repeat)
To lift my voice (chorus repeat)

I've gotta reason (chorus repeat)
To rejoice

Verse: For life strength and health
For joy, peace and wealth
For Your divine favor
For being a merciful Savior
Even when I seem faithless
Your love is never changing
An ever patient and loving God you are
That's why I give you all the praise
And I say I've gotta reason
(Return to chorus)

Verse: When I think of His goodness
And everything He's done
You don't understand why I'm clapping
My hands like this today 'cause I've already won
He's given me the vict'ry out of the hands of the enemy
So excuse me while I give God all of the glory
Because I know I've been redeemed,
whoooooooooooooah
I've gotta reason
(Return to chorus)

Bridge:

This is whyâ€¦:

Now who has brought us, taught us along the way
Our total praise be yours today
Oh God of mercy we declare Your name
Jesus 8x's
(Music break)

Jesus 8x's
(Music break)
