More than you ever know

#### Verse 1

To the sick He is a healer  
And to the lost a compass for your way  
To the lonely He is a company keeper  
Don't hung up I have more to say  
To the broken He is a mender  
And to the weak He is a leaning post  
Wooo hoooo  
He is more than you'll ever,  
Than you'll ever know  
Oh, yes He is  
I got another verse, listen

#### Verse 2

To the homeless He is your shelter  
And to the down the lifter of your head  
And to the thirsty He is living water  
Don't you know, haven't you heard  
To the sinner He is a savoir  
But to the saint the absence of the Holy Ghost  
Wooo hooo  
He is more than you'll ever, whooo you'll ever known

#### Verse 3

EL SHADDAI, God Almighty  
EL ELYON, God Most High  
ADONAI, Yes He is, Lord and Master  
Come on He is EL-OLAM,  
EL-OLAM, God everlasting  
Listen, but if you can't remember all those names like  
that  
We want you to know that there's yet another name  
What is it, tell them  
There is still one other name  
What's that name  
That name is Jesus  
He is more than you'll ever know

#### Verse 4

If you don't want to be here tonight, say it again in  
Aramaic  
EL SHADDAI God Almighty  
EL ELYON, God Most High  
ADONAI, Yes He is Lord and Master  
EL-OLAM come on, come on  
EL-OLAM, God everlasting  
Listen in case that's just too much for you  
To remember tonight  
Don't forget the name  
There's still one other name  
That name is Jesus  
He is more than you'll ever know

#### Verse 5

So now  
Let the Worshipers just call his name together  
What is his name Dwayne Woods  
Come on tell us, tell us  
Jesus, Jesus, Jesus, Jesus, Jesus  
It's more than you ever known  
More than you ever known  
How many of you all really love the name, Jesus, Jesus  
A mean you really love the name, Jesus  
A mean there is no one like the name of Jesus  
More than you will ever know  
More than you will ever know

Because of the stripes of Jesus
