And the Blessings, They Begin to Pour In  
Make Sure  
That Your Never too Busy  
To Praise Him

As He Wakes You Up Everyday  
Don't Forget to Lift Your Hands and Give Him the Praise  
Make Sure  
That Your Never too Busy  
To Praise Him

You Gotta' Trust In Him in Everything You do  
And All These Things,  
They're going to be added unto you  
Make sure  
That your never too busyu praise Him

He's been too good  
He's been too kind  
For you to push him away  
And say that he won't mind  
He's been too good  
He's been so good

So make sure

that your never too busy (to shout hallelujah every now  
and then)  
Your never too busy (to clap your hands and give God  
some glory)  
That Your never too busy (to shout for joy because the  
joy of the Lord it is your strength)  
That your never too busy (to dance around in a circle  
and don't care who's lookin')  
Your never too busy  
To praise Him

Praise Him  
Praise Him  
Praise Him  
Praise Him

Jesus  
Blessed Savior  
He's worthy to be praised

From the Rising of the Sun  
Until the going down of the same  
He's worthy, Jesus is worthy  
He's worthy to be praised!

(go back to praise him. The song actually fades out at  
the From the Rising of the Sun)
