There is a name
Like no other name
Whenever the name's declared
Your healing's there
And the lost are saved

Every knee will bow
And every tongue confess
That He is Lord of all
The Sovereign One
Forever more

All authority
In heaven and on the earth
Is Yours and Yours alone
Oh Lord of Host
The Holy One

There is a name
Like no other name
Whenever the name's declared
Your healing's there
And the lost are saved

Lord inhabit all the praise
That we give You in this place
You loosed the chains of bondage
Now we're free because of Your name

He gave His life at Calvary
Up on that rugged cross
To give the world salvation
And then He gave the hope to
Every sinner lost

The name. The name so holy
The name. The one and only
The name. The name so worthy
The name. No other name
The name. The name so precious
The name. This name so righteous

Tell me who Can stand against me
When I call that name

We will proclaim
The name that's above all names

Jesus
The name that's above all names
