The presence of the Lord is here
The presence of the Lord is here
I feel it in the atmosphere
The presence of the Lord is here, oh
The presence of the Lord is here, oh

The spirit of the Lord is here
The spirit of the Lord is here
I feel it in the atmosphere
The spirit of the Lord is here, oh
The spirit of the Lord is here, oh

The power of the Lord is here
The power of the Lord is here
I feel it in the atmosphere,
The power of the Lord is here, oh
The power of the Lord is here, oh

Everybody blow the trumpet
And sound the alarm
Because the Lord is in the temple
Let everybody bow
Let all the people praise Him now
The Lord is here

A blessing from the Lord is here
A blessing from the Lord is here
I feel it in the atmosphere
A blessing from the Lord is here
A blessing from the Lord is here

Everybody blow the trumpet
And sound the alarm
Because the Lord is in the temple
Let everybody bow
Let all the people praise Him now
The Lord is here

The Lord
The Lord
The Lord
Is here

I can feel the presence of the Lord
And I'm gonna get my blessing right now
I can feel the presence of the Lord
And I'm gonna get my blessing right now

I can feel the presence of the Lord
And I'm gonna get my blessing right now
I can feel the presence of the Lord
And I'm gonna get my blessing right now

I can feel the presence of the Lord
And I'm gonna get my blessing right now
I can feel the presence of the Lord
And I'm gonna get my blessing right now

I can feel the presence of the Lord
And I'm gonna get my blessing right now
I can feel the presence of the Lord
And I'm gonna get my blessing right now

I can feel the presence of the Lord
And I'm gonna get my blessing right now
I can feel the presence of the Lord
And I'm gonna get my blessing right now

Can't you see Him working on the outside?
I can see Him moving on the inside
So come and enter in and cast your cares on Him
He'll open up a window and pour you out a blessing

'Cause when the Lord steps in
He brings everything you need
Healing, power and victory
Said it's all up to you
Whatever you need Him to do
Just trust Him and believe
And then by faith you will receive

I can feel the presence of the Lord
And I'm gonna get my blessing right now
I can feel the presence of the Lord
And I'm gonna get my blessing right now

I can feel the presence of the Lord
And I'm gonna get my blessing right now
I can feel the presence of the Lord
And I'm gonna get my blessing right now

I can feel the presence of the Lord
And I'm gonna get my blessing right now

I can feel the presence of the Lord
And I'm gonna get my blessing right now

I can feel the presence of the Lord
And I'm gonna get my blessing right now
