I never thought I'd overcome
The heartaches when my lovers said goodbye... to me
The tender feelings that were gone
And I kept asking heaven tell me why... why me?

My feet were slowly losing ground
and I felt hopeless sick and down
but then I met you

Chorus:
And I'm in love again
No reason to pretend I lost my heart to you
I'm so in love again
Not looking for a friend
I can't believe it's true

I didn't want to fall for you
But it just happened and it's good to feel... you're here
I wasn't looking for a love
I'm just lost in dreams but now thank god it's real...
you're near

My herat was slowly gaining ground
Forgotten feelings I have found
But there in your arms

Chorus:
And I'm in love again
No reason to pretend I lost my heart to you
I'm so in love again
Not looking for a friend
I can't believe it's true

oohhhh, yeah I'm in love again

My herat is slowly gaining ground
Forgotten feelings I have found
But there in your arms

Chorus:
And I'm in love again

No reason to pretend I lost my heart to you
I'm so in love again
Not looking for a friend
I can't believe it's true

Yeah I'm in love again
No reason to pretend I lost my heart to you
I'm so in love again (yeah)

Yeah I'm in love again (yeah)

I'm so in love again
Not looking for a friend... x2
