Nothing's easy  
You gotta take it with a pinch of salt  
Nothing's pleasing  
You always want that little bit more  
What is certain  
You never gonna make me feel small  
Not in this life, not in my mind, not ever again

(Bridge)

No matter what you say to me  
Love me or hate me  
That's what you're gettin'  
So come on get ready  
ohh

(Chorus)

I don't care you don't know me  
Enough to talk about me  
You can say all you want to  
Love me or hate me  
I don't care and I'm aware  
I live my life so beautiful  
Is that good enough for you?

Try to teach me  
Try to turn me into someone new  
And it gets to me  
Out of my way I'm coming through

(Bridge x1)

(Chorus x1)

I'm sorry  
I don't fit in  
You always speak about perfection  
That's not me, that's not me

(Chorus x1)

I don't care  
I don't mind  
I don't care  
I'm aware  
I don't mind  
I don't fear

Ohh ohh ohh
