"Not About You"

My world keeps falling apart but it's not about you ooh
A void keeps stirring inside no it's not about you
It's Ok I'm fine I think I've worked it out
Walk away you're not mine I'm not crying
Hey I'm cool no fool you've gotta go away
Walk Away
Don't look back
I'm not here, I'm not here
I'm not here, I'm not here oh oh oh ooh ooh

If this is the way that I gotta be
Thinking about you makes it complicated
So tell me how do I let go?
So many things I would wanna say
So many nights spent contemplating
So tell me how do I let go?

Said you would call I don't wanna know
You're talking but I'm not listening
Don't speak I'm not alone
Kick up the fuss but I'm not worried
I've given up on what it could've been
Shouldn't been you trying to make it happen
So don't you point your finger at me
I'm not here, I'm not here
I'm not here, I'm not here oh oh oh ooh ooh

If this is the way that I gotta be
Thinking about you makes it complicated
So tell me how do I let go?
So many things I would wanna say
So many nights spent contemplating
So tell me how do I let go?
So tell me how do I let go?
Why don't you tell me how do I let go?

Tell me, tell me, tell me, tell me Do I let go?
Ooh uh ooh ooh

If this is the way that I gotta be
Thinking about you makes it complicated

So tell me how do I let go?
So many things I would wanna say
So many nights spent contemplating
So tell me how do I let go?
So tell me how do I let go?
Why don't you tell me how do I let go?
