Seven degreesÂ...  
I'm down on my knees  
Waiting for the man to put me under his spell  
7:05Â...  
He walks in to sight,  
Giving me the eye he lifts my spirits high  
His passion burns, and my luck takes a turn,  
I'm reborn and alive with his love to survive

Is it good? Is it bad?  
Am I simply going mad?  
Is it fiction? Or fact?  
Am I really losing tact?  
Is he magical?  
Logical?  
Natural wonderÂ...  
He's got the makings of my 7th wonder

Seventy-threeÂ...  
Kisses for me  
That whisper through the silence his feelings for me  
Softly he dipsÂ...  
My cherry-red lips,  
In the essence of hope on which my love can float  
His passion burns, and my luck takes a turn  
I'm reborn and alive with his love to survive

Is it good? Is it bad?  
Am I simply going mad?  
Is it fiction? Or fact?  
Am I really losing tact?  
Is he magical?  
Logical?  
Natural wonderÂ...  
He's got the makings of my 7th wonder

On seven seasÂ... we sail on this dream,  
Turning it in to virtual reality

Is it good? Is it bad?  
Am I simply going mad?  
Is it fiction? Or fact?

Am I really losing tact?  
Is he magical?  
Logical?  
NaturalÂ...I wonderÂ...  
He's got the makings of my 7th wonder

Am I weak? Am I strong?  
In his arms do I belong?  
I could climb - mountain high  
For his love I'll learn to fly  
Is he magical?  
Logical?  
Natural wonderÂ...  
He's got the making of my 7th wonder
