Ira: My love for you grows by the day
And though you try you try to fly away
You are my love my sweetest flower
You'll always be my one desire

I wanna be your best friend
I wanne be your lover
because for me there can be there can be no other
My life without you is filled with sadness
I cannot find true happiness
Because for me, there can be, there can be, no other

My my my my butterfly
My my my my butterfly
You'll always be my butterfly

I've been looking for you
inside my heart today
I've been looking for you
Don't wanna don't wanna fly away

You'll always be in my memory
But now you've flown, god knows where
And left me living in this fear

Jon: (rap)

Ira: Until the day that you & i will die
You'll always be my butterfly

My my my my butterfly
My my my my butterfly
You'll always be my butterfly

You are my first thought as i wake
You are my last thought as i sleep
I wanna see those starts again with you
I wanna kiss you
under the moonlight

And hear the sea embrace the shore
I wanna hold you forever more

My my my my butterfly
My my my my butterfly
I wanna be your best friend

Jon: Ira

Ira: I wanna be your lover
