

## Ira Losco "Everyday"

Visit "[Everyday](#)" on MotoLyrics.com

In time it's gonna get me  
Head down to where it takes me  
Not gonna let it break me

Will this go on forever?  
I gotta pull myself together  
It's either now or never... and I say

Everyday I say I could make it go away  
Everyday I feel I'd like to stay  
Everyday I see, I could be a different me  
And I can feel the changes

Sometimes I feel connected  
Sometimes I feel rejected  
This time I won't neglect it

This can't go on forever  
I gotta pull myself together  
It's either now or never... and I say

Everyday I say I could make it go away  
Everyday I feel I'd like to stay  
Everyday I see, I could be a different me  
And I can feel the changes  
Don't you forget this  
When I walk away  
Too late for me  
There's no other way  
Can't take this pain now  
So Make it go away  
Make it go away  
Yeah Yeah Yeah [x2]

Everyday I see, I could be a different me  
And I can feel the changes

Everyday I say I could make it go away  
Everyday I feel I'd like to stay  
Everyday I see, I could be a different me  
And I can feel the changes - eh eh eh  
I can feel the changes

I'd like to stay  
I'd like to stay  
So make it go away  
Make it go away  
Make it go away
