Hey Now! What d'you want me to say?  
Thought it all up in your head  
Always knew I'd be misled

Hey now! Don't you want me to stay now?  
You never wanted me around  
You couldn't wait to shut me out

And so it's understood  
Just as good  
And I'm not waiting for you

Get outta here  
Get outta my life now  
I'm letting you go and I'm watching you fall down  
Get offa me  
Get outta my face now  
Why d'you have to breathe on me?  
Why don't you just let me be

I've learnt to cure dissatisfaction  
After all these years  
That's all you gave to me

I've had enough of your deception  
You're away from here  
And you're nowhere to be seen

Can you tell I'm ok  
And I'm so way over you  
Well it's understood  
Just as good  
And I'm not waiting for you

Get outta here  
Get outta my life now  
I'm letting you go and I'm watching you fall down  
Get offa me  
Get outta my face now  
Why d'you have to breathe on me?  
Why don't you just let me be  
Everyday

Nothing ever seems the same  
It's how I'm getting what I want  
TryÂ..... Try to make you go your way  
Nothing ever stays the same

Hey now! What are you gonna say now?  
I live my life with nothing more  
And now I'm breaking down that door!

Get outta here  
Get outta my life now  
I'm letting you go and I'm watching you fall down  
Get offa me  
Get outta my face now  
Why d'you have to breathe on me?  
So just let me be
