Yeah Yeah
Yeah Yeah
Yeah Yeah

I never thought I'd overcome
The heartaches when my lovers said goodbye... to me
The tender feelings that were gone
And I kept asking heaven tell me why... why me?

My feet were slowly losing ground
and I felt hopeless sick and down
but then I met you

And I'm in love again yeah yeah yeah yeah
I'm so in love again tu ru ru tu tu tu
Not looking for a friend
Yeah I'm in love again yeah yeah yeah yeah
I'm so in love again tu ru tu tu tu tu
Not looking for a friend
