Ah Ah Ah Ah Ah

In the middle of it all across the sea Ah Ah Ah Ah Ah
Further down away from me
You're hard to reach harder still to hold Ah Ah Ah Ah Ah
What's in your head how will I know?

It beats you up tears you apart Keeps you outside
It holds you down and sucks you in and makes you
think
When you're breaking down I'm walking out that all
there is to see
And I don't believe you'll let it go and give it up for me!

It's kept locked out sheltered from the rain Ah Ah Ah Ah
Ah
You hide yourself and think you've, you've gone insane
yeah
I see the shadow across your face Ah Ah Ah Ah Ah
Only you and God know how the shadow's made

It beats you up tears you apart Keeps you outside
It holds you down and sucks you in and makes you
think
When you're breaking down I'm walking out that all
there is to see
And I don't believe you'll let it go and give it up for me!

You're only safe with me
You're only safe with me

YeahÂ...Â.....

It beats you up tears you apart Keeps you outside
It holds you down and sucks you in and makes you
think
When you're breaking down I'm walking out that all
there is to see
And I don't believe you'll let it go and give it up for me!

When you're breaking down, I'm walking out, I'm
walking out

And I don't believe you'll let it go, Let it Go oh oh yeah
