Can you see all you have is mine
Lately
Dunno why maybe things are still the same
Oh no

Have I Been so misunderstood
Lately
There you go blaming everything I've said
Oh no

I don't like you anymore

Can't you see by now
All you are is someone I don't need to know
You're standing next to me
So when I turn around
I'm leaving all of this behind
Cause I don't need this anymore
Anymore

It's time to go

When I fall does that make your day
Maybe
When I'm down & I'm out and I'm crashing to the
ground

And I don't like you anymore

Can't you see by now
All you are is someone I don't need to know
You're standing next to me
So when I turn around
I'm leaving all of this behind
Cause I don't need this anymore
Anymore

I don't like you anymore

Can't you see by now
All you are is someone I don't need to know
You're standing next to me

So when I turn around
I'm leaving all of this behind
Cause I don't need this anymore
Anymore
