At the bus stop I saw you waiting you were dressed up
Just a little to much you looked ok but
So frustrated when you just wanna touch I need you

All over me
I feel like rolling around in the streets everywhere
anywhere oh ohhh.

Better stop cause you're driving me crazy
Get going cause I'm no lady
I dunno maybe nobody told ya
I'm just an ordinary girl
Better off never keeping me waiting
I'm no fool I'm not your baby
Gotta know what you want in this world
I'm an ordinary girl

I dunno what you you've been used to
Maybe you want someone else who's
A little jaded and complicated
A little girl who's just content to

Fall over you
Laugh at all the stupid things you do
But I'm not that way...

Better stop cause you're driving me crazy
Get going cause I'm no lady
I dunno maybe nobody told ya
I'm just an ordinary girl
Better off never keeping me waiting
I'm no fool I'm not your baby
Gotta know what you want in this world
I'm an ordinary girl

I don't think I can stay for long
And I'm sick of hanging around
So would you like to help me to understand you now
I try to let you know
That I hate it on my own
Oh no No but I'm still waiting

Better stop cause you're driving me crazy
Get going cause I'm no lady
I dunno maybe nobody told ya
I'm just an ordinary girl
Better off never keeping me waiting
I'm no fool I'm not your baby
Better off never keeping me waiting
I'm just an ordinary Like any ordinary
Who wants an ordinary girl
