Lying lazily on a riverbank
Counting daisies as he looks at me
Points to the sky, sees it's sugar candy
Can I, Can I be your daddy
Oh can I be your daddy

Yeah, and he's falling down
Yeah, and he's calling me
I see riverman in my dreams
And he aint gonna get no help from me

I turn and i try to sleep
I see riverman in my dreams
He ain't gonna get no help from me
No, Noah

Yeah, and he's falling down
Yeah, and he's calling me
I see riverman in my dreams
And he aint gonna get no help from me
