With one look - you had me fall for you  
With one smile - you sealed my sweetest dream  
Day by day - I move closer to you  
So close I breathe the air you're breathing to

Believeâ€¦.. In the power of two  
Achieveâ€¦.. This is what we do  
Liveâ€¦.. A love that never dies  
Createâ€¦.. A Heaven on this earth

(Chorus)

When you move to touch me I am spellbound  
Drowning in the magic  
of emotions deep  
Every time you hold me I am spellbound  
Swimming in the pleasure  
of a dream that fails to sleep

Anytime you call me I am spellbound  
Endlessly devoted  
to a love so rare  
When you move to kiss me I am spellbound  
Living sweet sensations  
of a truth we dare to share

Cool me with - the blue inside your eyes  
Warm me with - the flames inside your heart  
Hold me for - a thousand and one nights  
In the warmth and safety of your arms

Believeâ€¦.. In the power or two  
Achieveâ€¦.. This is what we do  
Liveâ€¦.. A love that never dies  
Createâ€¦.. A Heaven on this earth

(Chorus)

With one lookâ€¦;you had me fall for you  
With one smileâ€¦; you sealed my sweetest dream  
Day by dayâ€¦; I move closer to you  
So close I breathe the air you're breathing to
