You know you know
That it ain't working out lately
I don't I don't I don't appreciate you asking
Why do you keep asking?
You saw me dancing, then I took of my shoes
You acting all nice but I'm not looking at you

And what's the matter with you?
I can't believe it when you hold back the minute now
That I'm dancing with you
I got the feeling that you think I ain't good enough
For someone like you

No I don't wanna lose myself
Don't wanna suffer the truth
And you won't say a word but I, I know that I can't lose
But I don't expect that much from you
Cause everything is so damn hard with you

I can't believe it when you hold back the minute now
That I'm dancing with you
I got the feeling that you think I ain't good enough
For someone like you

I have seen many faces
Look my way and shut down
I have been many places
But I don't feel safe and sound
I can't see where it takes us
We start to spin round and round
