AAh AAh

Inside my mind I know I've gone insane AAh AAh
You make me feel so unwanted I shouldn't stay

I just wanna be who I wanna be Aah AAh
I know I wanna be who I wanna be

You're taking me places
Where I cannot be
You Keep holding me down and I just can't breathe
Cause at times I feel like I'm so defenceless

I just wanna be who I wanna be
I know I wanna be who I wanna be

It's you as crazy at it seems
You're not the one for me and I've decided
I'll find a way to get toÂ....
You If only you could see
I know that I am stronger here without you
I'll find a way to get to you
To youÂ... To you

Telling me things that you don't really mean
It's hard to ignore when you don't see me
Cause in time I will know and in time I'll remember why

I just wanna be who I wanna be
I know I wanna be who I wanna be

It's you as crazy at it seems
You're not the one for me and I've decided
I'll find a way to get toÂ....
You If only you could see
I know that I am stronger here without you
I'll find a way to get to
YouÂ...
I'll find a way to get to you To You
Get to you

I gotta be who I wanna be

I wanna see what I couldn't see
Somehow I'll get to

You as crazy at it seems
You're not the one for me and I've decided
I'll find a way to get toÂ....
You If only you could see
I know that I am stronger here without you
Oh Oh Oh
It's You as crazy at it seems
You're not the one for me and I've decided
I'll find a way to get toÂ....
You ooh oh ooh oh
I'll find a way to get toÂ....
You ooh oh
I'll find a way to get to You
To you To You

Inside my mind I know you've pushed me away
So I shouldn't stay
