Chorus:

This land is your land  
this land is my land  
from the northern highlands  
to the western islands  
From the hills of Kerry  
to the streets of Free Derry  
Singing this land was made for you and me.

As i was walking through the Shannon Waters  
hand in hand with my little daughter  
Hear the church bells ringing  
and the children singing  
this land was made for you and me

Chorus:

When i climbed the mountain  
when i crossed the fountains  
and i heard the Waens rore  
with the lovely sea shore  
her eyes were gleaming  
she said "oh daddy" this land was made for you and  
me.

Chorus:

Then i walked the homeland  
the village steeple  
proud of my country  
proud of my people  
from the men who tried there  
to the men who died there  
singing this land was made for you and me

Chorus:

(repeat x2)
