If I could I'd try to know you
And I would never let you go my love
But if I wanna make you
A better time it would take today
Someday

But if I wanna make you
A better time it would take today
Someday

CHORUS:
Anyone can see
What you mean to me
Anyone would know (would know)
My love is there
Waiting just for you

On the night when you left me
I cried wishing you would stay
Stay
Maybe I don't have much strength

To tell you I need you so
I guess you'll never know

CHORUS:
Anyone can see
What you mean to me
Anyone can tell (can tell)
I'd play for you
So easily

Anyone can see
What you mean to me
Anyone can tell (can tell)
My love for you
So easily
So easy

(Anyone, anyone, anyone
Anyone can see)
(Anyone, anyone, anyone

Anyone can see)
Anyone can see...
Anyone can see...
