I sing the body electric...
I celebrate the me yet to come...
I toast to my own reunion
When I become one with the sun...

And I look back on Venus
I look back on Mars
And I burn with the fire of 10 million stars
And in time
And in time
We will all be stars...

I sing the body electric
I glory in the glow of rebirth
Creating my own tomorrow
When I shall embody the earth...

And I'll serenade Venus
I'll serenade Mars
And I'll burn with the fire of 10 million stars
And in time
And in time
We will all be stars...
(oh yeah)

We are the emperors now
And we are the czars
And in time
And in time
We will all be stars...

I sing the body electric...
I celebrate the me yet to come...
I toast to my own reunion
When I become one with the sun...

And I'll look back on Venus
I'll look back on Mars
And I'll burn with the fire of 10 million stars
And in time (and in time)
And in time (and in time)

We will all be stars...
