Written by Skip Battin and Kim Fowley

One of America's great national pastimes  
Is drinking a Coke  
Taking a smoke  
Telling a joke  
One of America's great national pastimes  
Is playing ball  
Taking it all  
And thinking so small

But the great taste of Coke has refreshed players  
The hot and tired  
The weary and the sore  
But the great taste of coke has refreshed players  
The hot and tired  
The weary and the sore

One of America's great national pastimes  
Is chocolate fudge  
Carrying a grudge  
Bribing a judge  
One of America's great national pastimes  
Is poisoning rain  
Acting insane  
Inflicting pain

But the great taste of Coke has refreshed players  
The hot and tired  
The weary and the sore  
The great taste of Coke has refreshed players The hot  
and tired  
The weary and the..

One of America's great national pastimes  
Is the worship of speed  
Planting her seeds  
Taking more than she needs  
One of America's great national pastime  
Is cutting the grass  
Grabbing some ass

Living too fast

But the great taste of coke has refreshed players  
The hot and tired  
The weary and the sore  
The great taste of Coke has refreshed players  
The hot and tired  
The weary and the sore
