Daytime just makes me feel lonely  
At night I can only dream about you  
Girl you're on my mind  
Nearly all of the time  
It's so hard being here without you.  
Words in my head keep repeating  
Things that you said when I was with you.  
And I wonder is it true  
Do you feel the same way too  
It's so hard being here without you  
Being here without you  
Oh I know this won't last  
I'll see you someday  
It seems as though that day will come never  
But there's one thing I'll swear  
Though you're far away  
I'll be thinking about you forever  
Streets that I walk on depress me  
Ones that were happy when I was with you  
Still with all the friends I know  
And with all the things I do  
It's so hard being here without you  
Being here without you.
