Written by Gene Clark

The reasons why  
Oh I can say  
I have to let you go, babe  
And run away  
After what you did  
I can't stay on  
And I'll probably feel a whole lot better when you're  
gone  
Baby for a long time  
You had me believe  
That your love was all mine  
And that's the way it would be  
But I didn't know  
That you were putting me on  
And I'll probably feel a whole lot better when you're  
gone  
Up when you're gone  
Now I've got to say  
That it's not like before  
And I'm not going to play your games anymore  
After what you did  
I can't stay on  
And I'll probably feel a whole lot better when you're  
gone  
Up when you're gone (x3)
