In the beginning you really loved me
But I was blind and I could not see
But when you left me, oh, how I cried
You don't miss your water till your well runs dry

I was a playboy, I could not be true
I couldn't believe I really loved you
But when you left me, oh, how I cried
You don't miss your water till your well runs dry

In the beginning you really loved me
But I was blind and I could not see
But when you left me, oh, how I cried
You don't miss your water till your well runs dry
You don't miss your water till your well runs dry
