Maine dil se kaha, dhoond laana khushi
Nasamajh laya gum, to yeh gum hi sahi

Maine dil se kaha, dhoond laana khushi
Nasamajh laya gum, to yeh gum hi sahi
Maine dil se kaha dhoond laana khushi

Bechaara kahan jaanta tha
Khalish hai yeh kya khala hai
Shehar bhar ki khushi se
Yeh dard mera bhala hai
Jashna yeh raaz na aaye
Mazaa toh bas gam main aaya hai

Maine dil se kaha, dhoond laana khushi
Nasamajh laya gum, to yeh gum hi sahi

Kabhi hai ishq ka ujaala
Kabhi hai maut ka andhera
Bataao kaun bes hoga
Main jogi banu ya lutera
Kayi chehre hai is dil ke
Najaane kaunsa mera

Maine dil se kaha dhoond laana khushi
Nasamajh laya gum, to yeh gum hi sahi

Hazaaron aaise phaasle the
Jo Tai karne chale the
Raahe magar chal padi thi
Aur peeche hum rah gaye the
Kadam Do chaar chal paaye
Kiye phere tere mann ke

Maine dil se kaha, dhoond laana khushi
Nasamajh laya gum, to yeh gum hi sahi

Maine dil se kaha, dhoond laana khushi
Nasamajh laya gum, to yeh gum hi sahi
