In this world we have our trials
Sometimes lonesome, sometimes blue
But the hope of life eternal
Makes all old hopes brand new

And I don't want to get adjusted to this world, to this
world
I've got a home so much better
And I'm gonna go there sooner or later
And I don't want to get adjusted to this world, to this
world

Lord, I'm growing old and weary
And there's no place that feels like home
Saviour come, (?)
To where I (?)

And I don't want to get adjusted to this world, to this
world
I've got a home so much better
And I'm gonna go there sooner or later
And I don't want to get adjusted to this world, to this
world

And I don't want to get adjusted to this world, to this
world
