Goodbye little darling, we're parting
Parting don't always mean goodbye
Although we have to part
You're always in my heart
Goodbye little darling, goodbye

Goodbye little darling, I'll miss you
miss you as the stars would miss the sky
I hate to see you go
I'm gonna miss you so
Goodbye little darling, goodbye

Goodbye little darling, I'll love you
love you until the day I day

Please dream a dream of me
wherever you may be
Goodbye little darling, goodbye

Please dream a dream of me
wherever you may be
Goodbye little darling, goodbye
