I'm glad Jesus came, glory to His name. oh what a  
Friend is He  
He so freely gave, His own life to save. From bonds of  
sin set free.

chorus

And I've got that old time religion in my heart  
And its way down inside  
I've got that new kind of feeling in my heart  
Real love abides  
Nobody knows what it means to me  
Nobody knows but my God and me  
I've got that old time religion in my heart

And its way down inside

What a joy to know one who loves us so  
He is so kind and true  
Hea has changed my life from all son and strife  
He'll do the same for you.
