The snowflakes fall as winter comes and time just  
seems to fly  
Is it the loneliness in me that makes me want to cry?  
My heart is sad, like a mourning dove that's lost its  
mate in flight  
Hear the cooing of his lonely heart through the stillness  
of the night

Chorus:

Whispering pines, whispering pines, tell me is it so  
Whispering pines, whispering pines, you're the one to  
know  
My darling is gone oh he's gone and I need your  
sympathy  
Whispering pines send my baby back to me

See that squirrel up in the tree his mate there on the  
ground

Hear their barking call of love for the happiness they've  
found  
Is my love still my love? Oh, this I gotta know  
Send the message by the wind because I love him so

(chorus)
