"Donald Where's Your Trousers"

Visit "[Donald Where's Your Trousers](#)" on MotoLyrics.com

Let the wind blow High, Let the wind blow low
 Through the streets in my kilt IãfÂçâ, ãÃçÂ,,Âçll go
 All the lassies say hello
 ãfÂçâ, ãÃ... "Donald whereãfÂçâ, ãÃçÂ,,Âçs your
 Trousers!ãfÂçâ, ãÃ,Âç

I came down from the Isle of Skye
 IãfÂçâ, ãÃçÂ,,Âçm not to big and IãfÂçâ, ãÃçÂ,,Âçm
 awfully shy
 The lassies say as I go by
 ãfÂçâ, ãÃ... "Donald whereãfÂçâ, ãÃçÂ,,Âçs your
 Trousers!ãfÂçâ, ãÃ,Âç

Let the wind blow High, Let the wind blow low
 Through the streets in my kilt IãfÂçâ, ãÃçÂ,,Âçll go
 All the lassies say hello
 ãfÂçâ, ãÃ... "Donald whereãfÂçâ, ãÃçÂ,,Âçs your
 Trousers!ãfÂçâ, ãÃ,Âç

I went to a fancy ball
 It was slippery in the hall
 I was feared that I might fall
 Cause I hadnãfÂçâ, ãÃçÂ,,Âçt me on me Trousers

Let the wind blow High, Let the wind blow low
 Through the streets in my kilt IãfÂçâ, ãÃçÂ,,Âçll go
 All the lassies say hello
 ãfÂçâ, ãÃ... "Donald whereãfÂçâ, ãÃçÂ,,Âçs your
 Trousers!ãfÂçâ, ãÃ,Âç

Let the wind blow High, Let the wind blow low
 Through the streets in my kilt IãfÂçâ, ãÃçÂ,,Âçll go
 All the lassies say hello
 ãfÂçâ, ãÃ... "Donald whereãfÂçâ, ãÃçÂ,,Âçs your
 Trousers!ãfÂçâ, ãÃ,Âç

Now I went down to London town
 To have a little fun on the Underground
 The ladies turned their heads around
 Saying ãfÂçâ, ãÃ... "Donald where are your
 Trousers!ãfÂçâ, ãÃ,Âç

Let the wind blow High, Let the wind blow low
Through the streets in my kilt IÃfÂçâ, -ÃçÂ,,Âçll go
All the lassies say hello
ÃfÂçâ, -Ã... "Donald whereÃfÂçâ, -ÃçÂ,,Âçs your
Trousers!?!ÃfÂçâ, -Ã,Â

The lassies love me, everyone
They can catch me if they can
You cannot take the brakes off a Highland man
Saying ÃfÂçâ, -Ã... "Donald whereÃfÂçâ, -ÃçÂ,,Âçs
your Trousers?ÃfÂçâ, -Ã,Â

Let the wind blow High, Let the wind blow low
Through the streets in my kilt IÃfÂçâ, -ÃçÂ,,Âçll go
All the lassies say hello
ÃfÂçâ, -Ã... "Donald whereÃfÂçâ, -ÃçÂ,,Âçs your
Trousers!?!ÃfÂçâ, -Ã,Â
ÃfÂçâ, -Ã... "Donald whereÃfÂçâ, -ÃçÂ,,Âçs your
Trousers!?!ÃfÂçâ, -Ã,Â
